

About Us

Founded in 1896, the Saratoga Golf and Polo Club is a private Club for the use and enjoyment of its members and their guests.

The Club has matured, now offering full club amenities, including a variety of tennis courts, a full service pool and cabana with wading pool, the golf course, and practice facilities. The membership is very adaptable; we offer several membership categories that align with the interests of either the seasonal horseman or area resident.

Golf

The golf course is the main attraction of the Saratoga Golf and Polo Club. The course is both challenging and picturesque. The Club offers a full schedule of events geared towards all skill levels and our instruction program is second to none.

Dining & Functions

Allow The Saratoga Golf and Polo Club to entice you with our award-winning food and first rate service for your special event. Our Dining Room Manager, Sandi Linder, and service staff will use their valuable expertise to make your event flawless. Our award winning Chef, John Ireland, and his staff will work closely with you to perfectly orchestrate your special event. Each event is planned with a personal touch; whether it is an intimate gathering or a large gala, every detail is carefully thought out.

The Club is also the perfect place to have your business meetings. With two conference rooms, we have the availability to tailor to your group's needs.

In addition to functions, The Saratoga Golf and Polo Club offers lunch and dinner year round as well as a social schedule of events. The Travers Party, Date Night and Birthday Night are just a few of the enjoyable occasions scheduled for our members.

Tennis

Tennis has been a significant asset to the Saratoga Golf and Polo Club since its

inception. Tennis members have the liberty to choose between a variety of surfaces: one clay, four grass, and four hard courts. Throughout the summer months, The Club employs a full time tennis professional and several assistants to provide members with a wide range of tennis programs, including:

- Junior Programs
- Adult Programs
- Private, Semi-private, and Group Lessons
- Drills and Strategy
- Singles, Doubles and Mixed Doubles Match Play
- Tournaments
- Tennis Socials
- Video Analysis
- Professional Stringing

Pool

The pool includes a dedicated staff of certified lifeguards, who make available both private and group swimming lessons, weekly craft days, birthday parties, adult pool parties, and annual family events.

The pool is typically open from Memorial Day through Labor Day each year. The hours of operation are slightly different from Memorial Day until around the time that school is out.

Children's Summer Activity Program

The Saratoga Golf and Polo Club is offering an amazing summer program filled with exciting activities and opportunities for children to learn and grow as a member of The Club. Kids Entertainment, the leader in generating Country Club Day Programs, will make sure your child is safe, healthy and enjoying their experience.

Activities include athletics, specialized instruction, swimming, theme days, special events and much more. Be there for Sadie Hawkins Day and the Survivor Challenge, as well as other wild and wacky events!
